IMPORTANT INFORMATION

ELIGIBILITY

Individuals, 18 years of age or older, plus their eligible dependents (spouse and/or unmarried children from birth to age 19; extended to age 23 if child is a full-time student). This is subject to individual state regulations.

PRETREATMENT REVIEW

If the Course of Treatment will exceed the amount shown in the Coverage Schedule, We will request prior review. We must be given the Dentist's treatment plan consisting of a description of the planned treatment with estimated charges and diagnostic x-rays. We will determine Eligible Expenses and state how much We will pay for the treatment. Our determination may suggest an alternate, less expensive Course of Treatment if it will produce professionally satisfactory results. If You do not request a pretreatment review, We will pay for the least expensive method of treatment regardless of the method actually used.

ALTERNATE BENEFIT

If: 1) We determine that a less expensive alternate procedure, service or Course of Treatment can be performed in place of the proposed treatment to correct a dental condition; and 2) the alternate treatment will produce a professionally satisfactory result; then the maximum We will allow will be the charges for the less expensive treatment.

COORDINATION OF BENEFITS

This Plan will be coordinated with any other group, blanket or franchise plan under which an Individual will receive benefits.
