This notice is required by the Healthcare Reform Law. It explains differences in the restrictions for annual dollar limits for group, individual; and student plans. It also gives notice to students under age 26 to check the parent's employer or insurance policy for enrollment eligibility.

Your student health insurance coverage, administered by Associated Insurance Plans (AIP) may not meet the group health or individual insurance minimum standards required by the health care reform law for the restrictions on annual dollar limits. The annual dollar limits ensure that students have sufficient access to medical benefits throughout the annual term of the policy. Restrictions for annual dollar limits for group and individual health insurance coverage are \$1.25 million for policy years before September 23, 2012; and \$2 million for policy years beginning on or after September 23, 2012 but before January 1, 2014. Restrictions for annual dollar limits for student health insurance coverage are \$100,000 for policy years before September 23, 2012, and \$500,000 for policy years beginning on or after September 23, 2012, but before January 1, 2014. Your student health insurance coverage put an annual limit of: \$100,000 on covered essential health benefits and other benefits including but not limited to: ambulatory care; emergency services; hospital services; maternity and newborn care; prescription drugs; laboratory, x-ray, and diagnostic services; preventive; chronic disease management; rehabilitative and habilitative care. Be advised that you may be eligible for coverage under a group health plan of a parent's employer or under a parent's Individual health insurance policy if you are under the age of 26. Contact the insurance carrier or plan administrator of the parent's employer plan or the parent's individual health insurance issuer for more information.

If you have any questions or concerns about this notice, contact Associated Insurance Plans at 800-452-5772. **To the best of our knowledge, this plan is in compliance with the Affordable Care Act (ACA).**

STUDENT INSURANCE COVERAGE

This revised plan provides insurance protection in the event you incur medical expenses for a covered Injury or Sickness. Worldwide coverage is provided on a 24-hour a day basis, at home, at school or while traveling during the entire period for which premium is paid. Unless you have waived protection, the plan is effective August 15, 2012 or the date your premium payment is received, through September 1, 2013.

Student insurance provides benefits at reasonable rates. Compare this plan with whatever medical insurance plan you may now have. This plan, or your waiver, is required.

Coverage remains in force even though you leave school. Refunds are made only in the event of entry into the Armed Forces.

ELIGIBILITY

All students are eligible to participate in this Plan. Students who do not complete a waiver providing their health insurance information will be automatically enrolled in this insurance plan and the fees will be added to their bill. Students must complete the waiver form online at www.NorthPark.edu/Insurance by the waiver deadline. The waiver deadline is September 30, 2012.

DEPENDENT ELIGIBILITY

Students who enroll may also enroll their eligible dependents. Eligible Dependents means: the student's legal spouse and unmarried children less than 19 years of age, who are not self-supporting, including a step-child, legally adopted child, a child of adoptive parents pending adoption proceedings. Dependent children will continue to be eligible for coverage if at the age of 19 the child is (1) incapable of self-sustaining employment by reason of mental retardation or physical handicap and (2) chiefly dependent upon the student insured for support and maintenance. Proof of the incapacity and dependency shall be furnished to the insurer by the Insured within 31 days of the child's reaching age 19. Continued proof shall be furnished to the insurer on an annual basis thereafter.

NEWBORN CHILD

All newborn children of the Insured Student are automatically covered at birth for 31 days for the same benefits as provided to the Insured Student. Coverage applies for any Injury sustained or Sickness commencing during the 31-day period from the date of birth including medically diagnosed congenital defects, birth abnormalities, prematurity and routine nursery care associated with a Sickness. The Insured Student may continue coverage beyond the 31 days by enrolling the newborn within the 31-day period from the date of birth.

An adopted child of the Insured Student is covered on the same basis as a newborn child from the date of placement for the purpose of adoption. Coverage continues unless the placement is disrupted and the child is removed from placement.

EFFECTIVE AND TERMINATION DATES

The insurance becomes effective at 12:00 a.m. on August 15, 2012 for annual coverage, or the date on which your premium is received, if later, and continues until the end of the period for which premium has been paid, but is not later than September 1, 2013.

Injury or Sickness shall include an Injury sustained, or a Sickness first manifesting itself, while the Insured Person is continuously insured under the Prior Plan and became insured under this Plan without a break in coverage. But no benefits shall be payable for such Injury or Sickness to the extent that such benefits are payable under the Prior Plan for the same expenses. This will apply even though the Prior Plan provided that it will not duplicate the benefits under another Plan. Also, the total amount of benefits payable for Injury or Sickness under this Plan and the Prior Plan cannot exceed the Per Condition Aggregate Maximum.

REFUND POLICY

There is no provision for cancellation other than upon entry into the Armed Forces or for medical withdrawal due to a covered Injury or Sickness. Any student withdrawing from school during the first 31 days of the period for which coverage is purchased (annual, fall, spring, or summer) shall not be covered under the Policy and a full refund of the payment will be made. Such a student will not be entitled to any benefits during the days preceding withdrawal, and no claims received will be honored. Students withdrawing after such 31 days will remain covered under the Policy for the full period for which the payment has been paid and no refund will be available. Pro-rata refunds will be made upon the entry of any insured person into the Armed Forces of any country. **NO OTHER REFUNDS WILL BE PERMITTED.**

CONTINUATION OF COVERAGE

Continuation of coverage is offered to students and their dependents should they become ineligible to continue the Dominican University Student Health Insurance Plan for up to 9 months. The benefits and Provisions will be similar to the Student Health Insurance Plan, but premium will be higher. Application must be made within 31 days of termination of the Student Health Insurance. OPTIONAL - ADDITIONAL PREMIUM REQUIRED DENTAL/VISION/PHARMACY DISCOUNT PLAN

Additional premium required (see rates listed below).

- No Claim forms
- No Waiting Periods
- No Pre-existing Conditions
- No Deductibles or Maximums
- No Age Restriction
- Discount is immediate at time of service
- Over 100,000 participating providers nationwide

The Co-Health Group Collegiate plan has been specifically designed to meet the needs of today’s College and University students, whether they are incoming freshmen, graduate, evening students, international or domestic students attending Dominican University.

The Co-Health Benefit Plan provides discounts in certain health care areas not normally reimbursed by insurance. In the “Collegiate Plan” we are offering the Vision, Dental and Pharmacy Discount Program as a single package of Benefits, or you may purchase discounts for pharmacy or vision separately. Here’s how the plan works.

This is not an Insurance Plan. The Co-Health Group Collegiate Plan is a Discount Care Plan offering discounts and savings for Vision, Dental and Prescription Pharmacy expenses.

Each of the benefit programs (Vision, Dental, and Prescription Pharmacy) has a network of Providers (for example, the participating dentists in the Dental Plan.) As a member of the Plan you can go to any of the providers listed and purchase their products or services on a negotiated discount basis. You receive your discount/savings on the spot. There are no exclusions for “pre-existing” conditions. There are no claim forms to fill out and no paperwork to be filed. Simply show your Co-Health membership card at the time of your scheduled appointment or at a participating pharmacy.

The discounts you will receive are substantial and these savings can be very important to you. The services that make up the Collegiate Plan (Vision, Dental and Pharmacy) are also the three most common areas where you will have unexpected expenses. With our Benefits, you can substantially reduce your out of pocket expenses, and as an added bonus, you can use our plan benefits anywhere in the United States, except the State of Washington.

You simply show your Co-Health ID Card and get your discount on the spot.
