This notice is required by the Healthcare Reform Law. It explains differences in the restrictions for annual dollar limits for group, individual; and student plans. It also gives notice to students under age 26 to check the parent's employer or insurance policy for enrollment eligibility.

Your student health insurance coverage, administered by Associated Insurance Plans (AIP) may not meet the group health or individual insurance minimum standards required by the health care reform law for the restrictions on annual dollar limits. The annual dollar limits ensure that students have sufficient access to medical benefits throughout the annual term of the policy. Restrictions for annual dollar limits for group and individual health insurance coverage are \$1.25 million for policy years before September 23, 2012; and \$2 million for policy years beginning on or after September 23, 2012 but before January 1, 2014. Restrictions for annual dollar limits for student health insurance coverage are \$100,000 for policy years before September 23, 2012, and \$500,000 for policy years beginning on or after September 23, 2012, but before January 1, 2014. Your student health insurance coverage put an annual limit of: \$100,000 on covered essential health benefits and other benefits including but not limited to: ambulatory care; emergency services; hospital services; maternity and newborn care; prescription drugs; laboratory, x-ray, and diagnostic services; preventive; chronic disease management; rehabilitative and habilitative care. Be advised that you may be eligible for coverage under a group health plan of a parent's employer or under a parent's Individual health insurance policy if you are under the age of 26. Contact the insurance carrier or plan administrator of the parent's employer plan or the parent's individual health insurance issuer for more information.

If you have any questions or concerns about this notice, contact Associated Insurance Plans at 800-452-5772. To the best of our knowledge, this plan is in compliance with the Affordable Care Act (ACA).

ELIGIBILITY

Enrolled **Undergraduate Students** and scholars under the age of 70 attending Saint Xavier University (the Participating Organization) who cannot produce evidence of insurance coverage will be automatically enrolled in this insurance plan.

Unless Undergraduate Students submit an insurance waiver which will provide information on their existing insurance, through www.SaintXavierInsurance.com, they will automatically receive the school's health insurance and the fee for health insurance coverage will be charged to the Student's account each semester. The deadline for submission of a waiver is shown on page 4 of this brochure.

Enrolled Student/Scholar means a person: (1) who is a member of an eligible class of persons as described above; (2) has enrolled for coverage under this Plan, if required; (3) for whom premium has been paid; and (4) while covered under the Plan. However, an Insured Student does not include any person covered under this Plan solely as an enrolled Dependent.

Students must actively attend classes for at least the first 31 days from their effective date of coverage, or the entire period for which coverage is purchased, whichever is the lesser, except in the case of medical withdrawal (as verified and approved by the school). The Company maintains its right to investigate student (and dependents) status and attendance records to verify that the policy eligibility requirements have been met. If and whenever the Company discovers that the policy eligibility requirements have not been met, its only obligation is refund of premium less any claims paid.

This plan is optional for **Graduate Students** and premiums must be paid directly to the Plan Administrator.

DEPENDENT ELIGIBILITY

Eligible students who enroll in the plan may also enroll their eligible dependents. Eligible dependents are the Insured Student's spouse residing with the Insured Student; or the Insured Student's unmarried Children under the age of 19 years or to age 26. Children must be fully supported by the Insured Student.

A child's coverage will not end because the child has reached the age limit shown above, if he or she: (a) is not able to earn his or her own living as a result of physical handicap or mental retardation; (b) became so handicapped before reaching the age limit; and (c) is chiefly dependent on the Insured Student for support and maintenance.

Within 31 days after the child reaches the age limit, the Insured Student must send us proof of the child's dependency or handicap. We may ask for more proof of the child's dependency and handicap, but we will not ask for proof more frequently than annually after the two year period following the child's attainment of the limiting age.

Any dependent on active duty in any military, naval, or air force of any country is not eligible for coverage under this Policy.

Dependent eligibility expires concurrently with that of the Insured Student.

NEWBORN CHILDREN

Coverage for newborn children will consist of coverage for Sickness or Accident, including necessary care or treatment of congenital defects, birth abnormalities, or premature birth. Such coverage will start from the moment of birth, if the Insured Student is already insured for dependent coverage when the child is born. If the Insured Student does not have dependent coverage when the child is born, We cover the newborn child for dependent benefits from and after the moment of birth, or any minor child placed with an Insured Student for adoption for dependent benefits from and after the moment the child is placed in the physical custody of the Insured Student for adoption. To continue the newborn or adopted child's dependent benefits past the first 31 days, the Insured Student must notify Associated Insurance Plans International, Inc. in writing within 31 days of the child's birth or placement and remit any additional premium due.

LATE ENROLLMENT FOR DEPENDENTS

An Eligible Student may add his or her Dependent as a late enrollee:

- (a) When he or she marries. The application for coverage must be submitted within 31 days of the date of marriage. Coverage will be effective on the date of the marriage. Payment for the full semester is required even if the spouse is enrolled after the term has begun;
- (b) When he or she acquires a Dependent child through birth, adoption or guardianship decree. The application must be submitted within 31 days of the date the child is born, adopted or acquired through decree. Coverage will be effective as of the date of birth, adoption or guardianship;
- (c) When his or her Dependent arrives from a foreign homeland. The application for coverage must be submitted within 31 days of the date of the Dependent's arrival from the foreign homeland. Coverage will be effective as of the date of the Dependent's arrival following direct travel from the homeland.

If the Eligible Student does not add a new Dependent within 31 days of the date the Dependent becomes eligible for coverage, he or she must wait until the following school term to add the Dependent for coverage.

TERMINATION DATE OF INSURED PERSON'S COVERAGE

The insurance for an Insured Person shall terminate on the first of the following dates:

- (a) On the date this Policy is terminated; or
- (b) On the payment due date if the required payment for the Insured Person is not paid, except as a result of inadvertent error; or
- (c) As of the date the Insured Person enters military service, in which case a pro-rata refund of insurance payment will be made to such Insured Person; or
- (d) On the date the Insured Person no longer qualifies under the Description of Class as shown in the Schedule of Eligible Classes.

Termination of Insurance for an Insured Person shall be without prejudice to any claim which starts prior thereto.

REFUND POLICY

There is no provision for cancellation other than upon entry into the Armed Forces or for medical withdrawal due to a covered Injury or Sickness. Any student withdrawing from school during the first 31 days of the period for which coverage is purchased (annual, fall, spring, or summer) shall not be covered under the Policy and a full refund of the payment will be made. Such a student will not be entitled to any benefits during the days preceding withdrawal, and no claims received will be honored. Students withdrawing after such 31 days will remain covered under the Policy for the full period for which the payment has been paid and no refund will be available unless the student does not attend classes for the next semester, and no claim has been made. In this instance the student may apply for a refund of the unearned premium. Pro-rata refunds will be made upon the entry of any insured person into the Armed Forces of any country. **NO OTHER REFUNDS WILL BE PERMITTED.** The administrative fee is not refundable.

The Co-Health Benefit Plan provides discounts in certain health care areas not normally reimbursed by insurance. In the "Collegiate Plan" we are offering the Vision, Dental and Pharmacy Discount Plan as a single package of Benefits, or you may purchase discounts for pharmacy or vision separately. Here's how the plan works:

This is not an Insurance Plan. The Co-Health Group Collegiate Plan is a Discount Care Plan offering discounts and savings for Vision, Dental and Prescription Pharmacy expenses.

Each of the benefit plans (Vision, Dental, and Prescription Pharmacy) has a network of Providers (for example, the participating dentists in the Dental Plan.) As a member of the Plan you can go to any of the providers listed and purchase their products or services on a negotiated discount basis. You get your discount/savings on the spot. There are no exclusions for "pre-existing" conditions. There are no claim forms to fill out and no paperwork to be filed. Simply show your Co-Health membership card at the time of your scheduled appointment or at a participating pharmacy.

The discounts you will receive are substantial and these savings can be very important to you. The services that make up the Collegiate Plan (Vision, Dental and Pharmacy) are also the three most common areas where you will have unexpected expenses. With our Benefits, you can substantially reduce your out of pocket expenses, and as an added bonus, you can use our plan benefits anywhere in the United States, except the State of Washington.

You simply show your Co-Health ID Card and get your discount on the spot.
